The Honorable Stephen Knight
United States House of Representatives
1023 Longworth House Office Building
Washington, D.C. 20515

On behalf of the National Military and Veterans Alliance, a nonpartisan advocacy group composed of military and veteran service organizations, we would like to pledge our support for H.R. 1162, the No Hero Left Untreated Act. This bill directs the Secretary of Veterans Affairs to carry out a pilot program to provide access to magnetic EEG/EKG guided resonance therapy to veterans.

Magnetic EEG/EKG guided resonance therapy has successfully treated more than 400 veterans with post-traumatic stress disorder, traumatic brain injury, military sexual trauma, chronic pain, and opiate addiction. Recent clinical trials and randomized, placebo-controlled, double blind studies have produced promising measurable outcomes in the evolution of this type of therapy.

The pilot program, as laid out in the bill, will allow the Secretary of Veterans Affairs to provide access to magnetic EEG/EKG guided resonance therapy to treat suffering veterans. The program will be located at no more than two facilities and test no more than fifty veterans. The program will be carried out for one year, and no more than 90 days after the termination of the program, the Secretary will submit to the Committee on Veterans' Affairs of the Senate and House a report on the pilot program.

The National Military and Veterans Alliance thanks you for taking an active role in such an important issue to the Military and Veteran community by working to improve the lives and careers of those who served our great nation.

Sincerely,
